Interactive Tutorial 1: Markdown

Working with Markdown

Press `Ctrl + Shift + M` to open a formatted preview on the right.

Basic Text

Write two sentences about yourself, each in a different paragraph.

Hello, my name is Nicole Wang.

I have 2 cats and 1 dog.

Headers

Make a 3rd level header with your name:

Nicole Wang

Emphasis

Write 4 of your favorite words using each type of emphasis:

cat **dog** *wow* ~~woah~~

Lists

Make an ordered list of 3 things you hope to achieve this semester, and elaborate on them with sub items. Then, make an unordered list of 3 classes that you're taking this semester:

1. not procrastinate so much

2. do my homework earlier than 2 days before it's due

3. make time for non-academic things

4. not spend all my time doing hw and spend time with friends or exploring new things

5. do well in things that I've committed to

6. in e-boards of clubs or in AguaClara!

7. 3 classes I'm taking
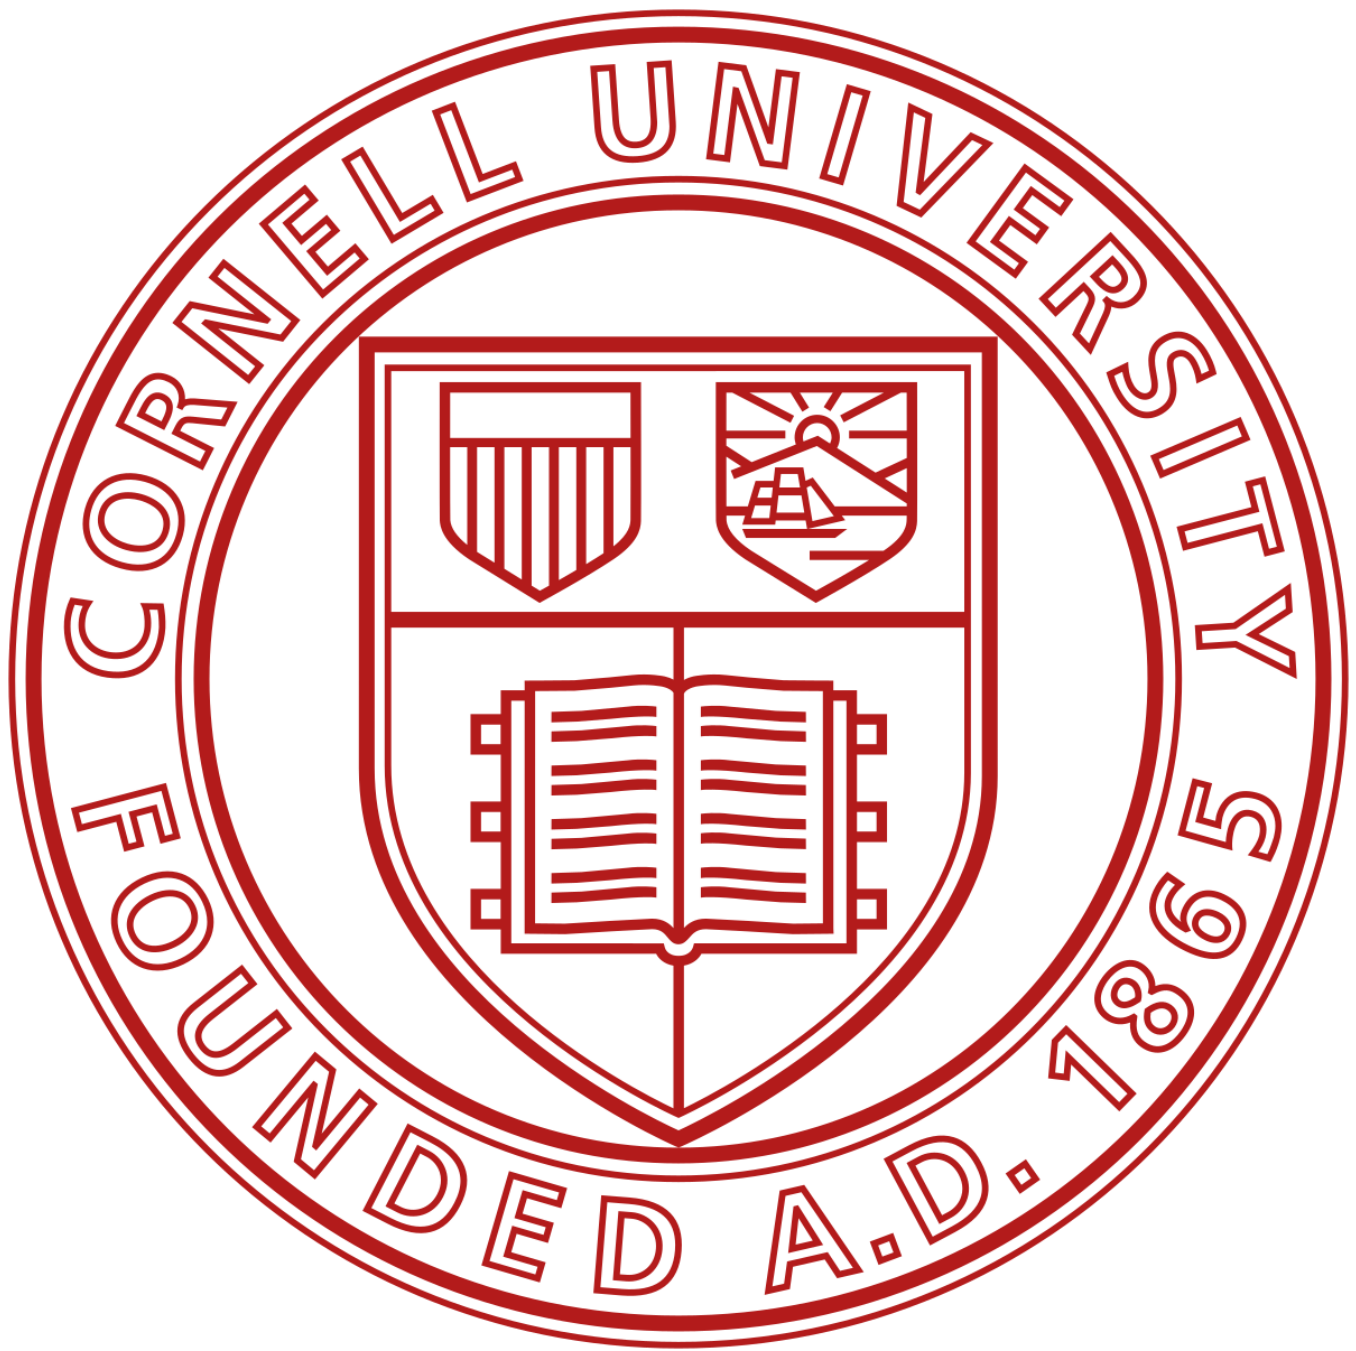

- ENGRD 2210
- CHIN 1109
- CS 2110

Links

Write a sentence describing your major, and insert a link to your major's department website:

I am majoring in Mechanical Engineering. Mechanical engineering has many different concentrations such as Aerospace Engineering, Biomechanics, Energy and the Environment, and many more. [Here is the link to Cornell's MAE page](#).

Images

Insert the Cornell seal image with:

1. A relative file path(`/Images/Cornell_University_seal.png`)
2. A URL (https://raw.githubusercontent.com/AguaClara/aguaclara_tutorial/master/Images/Cornell_University_seal.svg.png)

Cornell

Code Formatting

Put the name of this file in an in-line (single backtick) code format.

Put the following text in a Python-formatted code block:

```python
def foo():
    print("Particles of a feather...")
    print("...floc together!")
```

Tables

Create a table listing your 3 favorite animals, books, and places on campus. Use a different alignment for each column.

Animals	Books	Places on campus
cat	Mysterious Benedict Society	The Slope
axolotl	The Book Thief	Duffield
panda	First Knight	Upson

Blockquotes

Write your favorite quote. It must be attributed to Albert Einstein.

""""It gets easier. Every day it gets a little easier. But you got to do it every day. That's the hard part. But it does get easier." - Baboon" - Albert Einstein

Horizontal Rules

Add a horizontal rule:

LaTeX Formatting

Copy the equation towards the end of the [Markdown tutorial](#) and paste it here:

$$a^2 + b^2 = c^2$$
